## Recruitment

Discussed possible prizes/incentives for athletes. Mention prizes at practices and fun rides to get athletes to think about who they could recruit. New recruits could attend one practice with waiver but then would need to sign up for the team and attend at least 4 practices.

## Fundraising Update (Nicole, Tari, Angeline)

- a) Start with visiting local businesses shortly after practice starts, second week would be ideal in order to get money collected and sponsor t-shirts printed before the first race.

- a) Pizza sales to follow business solicitation-Dates to be determined will need to talk with Jason at Unhinged Pizza
- b) Depending on fundraising efforts after visiting businesses and pizza sales we could arrange a second pizza sale or sell Cash Wise coupon books if we still need to cover expenses
- c) Looking into setting up fundraiser nights with Qdoba and Buffalo Wild Wings. **Race dates on trailer would need to be updated before event date.** We could park the trailer in the restaurant parking lot to help promote HTC.
